Little Women

By Louisa May Alcott (1832-1888)

This story follows the lives of four sisters Meg, Jo, Beth and Amy. Set in the tumultuous days of the American Civil war, readers grow to love the four sisters as they grow and mature into young women. This book has characters any girl can relate to because each of the four March sisters has a unique and different personality. A story that the young and old have enjoyed for years, this book truly is a classic. (Summary by Abigail Rasmussen)
